

Who am I

If I'm punished, does it mean I'm a bad person? Why?

Thinking

Do we have the right not to like to think? Explain.

Who am I

If I had wings, would I be a bird? Why?

Who am I

If I could stop growing up and stay a child all my life, would I do it? Why?

Who am I

Can you become someone other than yourself? Explain.

Who am I

Can I become a monster? Why?

Body

Why do we cry?

Body

Why does it sometimes hurt?

Thinking

If I stop thinking, do I stop existing?

Does a deaf person who knows all the science of sound know what music is? Explain.

Technology

Have we almost reached the limits of technology? Explain.

Death

Should research on how to stop aging be a priority? Why?

Imagination

Imagine that an artificial intelligence becomes more intelligent than all humanity. What should be done? Why?

Science

Is what makes a scientist more about his degree or his way of thinking? Explain.

Death

If I forgot my childhood, does that mean that the child I was is dead? Explain.

Qualify

« She said at first that she was always right, but then he qualified his statement by saying that it is often, but not always. »

Future

Future

Future

Future

Future

Future

Criteria validated
Qualify

Future

Future

Define

« He explained what each of the important words in the question meant, I understood his **definitions** well. »

Compare

« If you want to **compare** a tree and a human, it's true that both are alive. But a tree can have branches, leaves or fruits while a human has legs, bones and hair. »

Be clear

« I understood everything he said, it made sense to me, I found it very **clear**. »

Example or counter-example

« To justify the usefulness of learning, he took as an **example** learning to cook alone, without his parents. But he added a **counter-example**: learning poetry by heart has never been useful to him. »

Give reasons

« Why does she want to protect nature? She gave several **reasons**: without nature humans could not survive long and it is nice to walk in the forest, so it would be a shame if there were no more. »

Explain our criteria

« The most important **criteria** for being a good driver is to anticipate and be vigilant. That's what I'm using to find out if a driver deserves a tip anyway. »

Consequences

« Missing my bus will **cause** me to arrive late for my appointment, and as a **consequence** my friends may not like it. »

Relevance

« She really answered the question asked, and even clarified how she interpreted the question. Her answer seemed very **relevant** to me. »

Conclusion or synthesis

« At the end she summarized her answer in one sentence and we understood that she had finished. Her **conclusion** made a good **synthesis** of what she said before! »
